Dr. Frank R. Barnett Director of Research Richardson Foundation 122 East 42nd Street New York 17, New York

Dear Dr. Barnett:

Thank you for sending me a copy of the bibliography which you have been sending to educators.

I am grateful for your kind remarks about this Agency and about my presentation to the National Strategy Seminar.

We have a long way to go in awakening people to the real nature of subversive Communism, and I am glad you think I have made some contribution.

Sincerely,

TANE
